Minutes of August 2, 2010 approved unanimously on motion of Roger Winiarski

second of David E. Steward

Christopher Clarendon introduced himself as a Tiverton and an oyster aqua culturist in Portsmouth, RI. He is considering petitioning the Town Council for appointment to the Harbor Commission.

The Chair reported on correspondence. The first was that which was sent to the Town Manager and the Fire Chief specifically inviting them to attend the meeting regarding the use of the patrol boat. Neither replied or were in attendance. The second was that which the Commission sent to the Council regarding the Commission's position regarding endorsement of a favorable policy toward aquaculture.

The Commission then commence with the full review of all of the ordinances applicable to the waters of the town and their management by the Harbor Master. Upon completing the review it was Moved by Bruce Cox and seconded by John McEwing to approve the Ordinances as proposed, revised and modified by the Commission in the Harbor Master's draft.

The commission's normal September meeting falling on the Labor Day holiday, it was moved by David E. Steward, seconded by Roger Winiarski that the meeting will be on September 7th, 2010.

On motion by Bruce Cox seconded by David E. Steward the meeting adjourned at 9:02.

Respectfully submitted

Bruce H. Cox
